

JOB'S DAUGHTERS INTERNATIONAL

Our thanks to the church and congregation for welcoming us here today.

Job's Daughters is a leadership organization for girls between the ages of ten and twenty. Through regular monthly meetings, our young women learn leadership and organizational skills by running their own meetings, working on committees, establishing fund raising projects and volunteering within the community. Confidence is gained through public speaking and event planning. There is plenty of opportunity for fun through social events such as sleepovers, movie parties, dances and weekend workshops.

H.I.K.E.

The Hearing Impaired Kids Equipment Fund (H.I.K.E.) has been adopted as our official charity. By working together we raise funds to assist other children with mild to severe hearing loss whose families may not have the financial means to do so. We are kids helping kids achieve a better quality of life through direct community involvement.

Job's Daughters is a part of the Masonic family. This includes the Shriners, Order of the Eastern Star, Daughters of the Nile and DeMolay, a young man's organization similar in nature to Job's Daughters.

Do you know of a young woman who could benefit from and contribute to our world wide organization?
