RE: Music Ritual Revision Suggestions

The Supreme Ritual Revision Committee is meeting to make changes to the Job's Daughters International Ritual to be adopted at Supreme Session in August 2011. Along with the Ritual Revision we need to revise the Music Ritual. Enclosed is a form to be copied and distributed to your Bethel Daughters and Councils to make suggested changes to the Music Ritual.

When making recommendations be sure to think about the Copyright Laws that would need to be researched and ASCAP fees would need to be paid if suggestions are made to add additional songs.

Please have these changes sent or e-mailed no later than, March 31, 2010. I apologize for the short time frame, we have a Music Committee meeting scheduled for April and May 2010.
