

# Job's Daughters of Florida

May 2009

Dear FLJD Family Member:

We are in the planning stages of getting the "Florida Job's Daughters Family" together for old time sake. Enclosed you will find a "Reunion Survey".

Jan, as Supreme Deputy to Florida for the last 4 years and Jim as Past Associate Grand Guardian of Florida from 1984-85 have been doing some brainstorming of ideas. A reunion of the FLJD family seems like one of the better ideas. With the approval of Marilyn Olson, Supreme Guardian and Elaine Gray, Vice Supreme Guardian we are moving ahead with the plan.

Over time we have heard from PHQs and MMs who have expressed interest in Job's Daughter here in FL. As a matter of fact, we have heard that Bethel 3 in Orlando, wants to get a reunion together. It is with this in mind and the many inquiries we get that we would like to take these ideas to a higher level and get the "Family" together one more time.

Our hope is to bring the exciting times to the younger members of our family by presenting the memories you made during your days in Job's Daughters. What was it that excited you about joining Job's Daughters? If you ran for line, what clicked with you that you decided to run? We would like you to share your memories with the daughters for one thing. AND, just as importantly, we'd like to see you and catch up with what you are doing now.

Give this some affirmative thought, complete the survey enclosed, and return it to us with your positive feelings on making this proposed reunion a real possibility.

Yours for Job's Daughters of Florida,

Jan Reinhart, PGG of IL  
Supreme Deputy to Florida
